

Walk the Walk...the Bulldawg Walk!

Has your child told you about the great brick paver walkway connecting Deane-Porter and Forrestdale? Have they asked “Where is my brick?” Take a close look the next time you’re watching a soccer or field hockey game at the schools.

The Rumson Education Foundation is now taking orders for bricks, guaranteed to last at least 100 years. Commemorate a child’s graduation, a teacher, a coach, or a business’ commitment to the Rumson School District. The possibilities are endless.

Bricks are available in a 4x8” or 8x8’ size. You can also include free clip. Go to www.brickmarkers.com and click “stock graphics” to see the clip art options. Indicate the clip art code below.
